

Christ The King Lutheran Church
Youth Ministry – Photo Waiver

We request your authorization to take pictures of your child at any of our events so we can display all that is happening in youth ministry. How will we display this? We will be displaying pictures on the youth board, on the web site, on the big screen in the narthex, and other internal forms of communication within the CTK community of faith.

Parents and students please sign your names below to authorize us to do so. Thank you for your time and support.
